

FACT SHEET

Mission Statement

Quantum is dedicated to creating high quality, sustainable jobs for people with disabilities through the development of viable commercial business ventures.

Vision Statement

Quantum will become an innovative leader in developing successful commercial business partnerships that will create substantial numbers of job opportunities for an integrated workforce consisting of people with disabilities and people without disabilities to serve as “model workers.”

Core Values

Service: We are committed to delivering prompt, consistent service to our customers.

Performance: We will deliver the agreed upon results with the utmost integrity.

Excellence: We will pursue top quality results in everything we do.

- Quantum, Inc. has met the growing workforce needs for area manufacturing, distribution and service industries for over 30 years.
- Quantum provides employment related services to approximately 175 adults with disabilities.
- Quantum operates three functional commercial businesses including:

Quantum Assembly – Meets the production needs of big or small businesses with versatile capabilities including assembly, weighing, labeling, packaging, shrink wrapping, palletizing, mailings and customized operations. We have over 20 years of experience building wiring harnesses and structural components with 100% quality assurance ratings for Gulfstream Aerospace jets. We have a 20,000 square-foot climate-controlled packaging facility and warehouse with an easily accessible, covered loading dock.

Quantum Catering – Prepares food to serve your business luncheons, meetings, seminars, and receptions, as well as the rest of your catering needs including parties and impromptu get-togethers. Choose from a large variety of appetizers, salads, entrees, desserts and party trays to customize your personal menu.

Quantum Printing – Provides a variety of quality printing services including heat stamping, silk screen printing, buttons, embroidery and specialty printing for t-shirts, napkins, matchbooks, scratchpads, thank you notes, as well as many other items. On-site graphic artist is able to help design the perfect image to meet your needs and personalize your products.
